Due to the COVID-19 pandemic and associated school closures, multiple state and local assessments were cancelled during the 2019-2020 school year. Many of the metrics usually included in the AEPR are not comparable to previous years; for others, results are not available.

\(1\) These metrics may have been affected by school closures in Spring 2020.
\(2\) These metrics include data only through mid-March. In previous years, these metrics were calculated using data through the end of the school year.
\(3\) Survey window was open through June. Responses and participation rates may have been affected by the school closures in Spring 2020.
\(4\) Some of these assessments were cancelled in Spring 2020.
