

#### Clara Barton School

### 2022-2023 PSES Summary Report

The Office of Research and Evaluation administers the annual **Philly School Experience Survey (PSES)** to District, Charter, and Alternative schools. The survey collects feedback from students, teachers, parents and guardians, school support staff, and school leaders to measure six key topics related to school improvement. For more information about the Philly School Experience Survey, please visit https://www.philasd.org/pses.

# **Survey Participation**

#### Student

#### NA

NA points (YOY)

Number of Responses: NA out of NA

# **Teacher**

#### 89%

+10 points (YOY)

Number of Responses: 31 out of 35

### Parent/Guardian

#### 56%

+17 points (YOY)

Number of Responses: 273 out of 491

### Support Staff

#### 10%

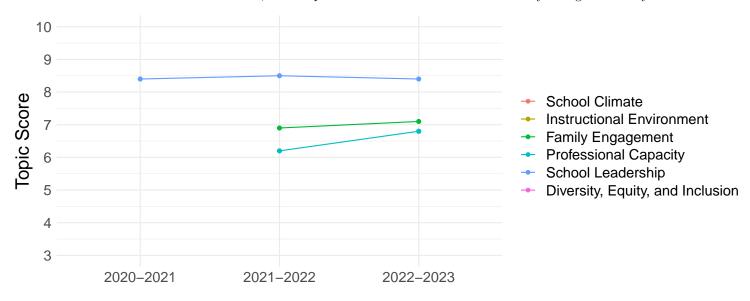

-46 points (YOY)

Number of Responses: 2 out of 20

Only students in grades 3-12 participate in the survey. Data is displayed for each survey group only when there are at least five respondents and the response rate meets a minimum threshold. The minimum response rate is 25% for students, teachers, and support staff and 10% for parents/guardians.

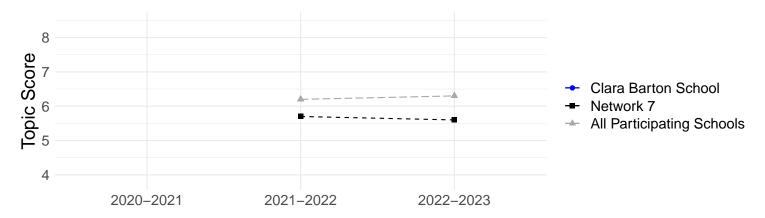

# Topic Trends Over Time

The graph below shows trends in the overall topic scores for this school over time. Some topic scores may be missing if response rate thresholds were not met. In 2020-2021, some topic scores are unavailable due to survey changes in that year.

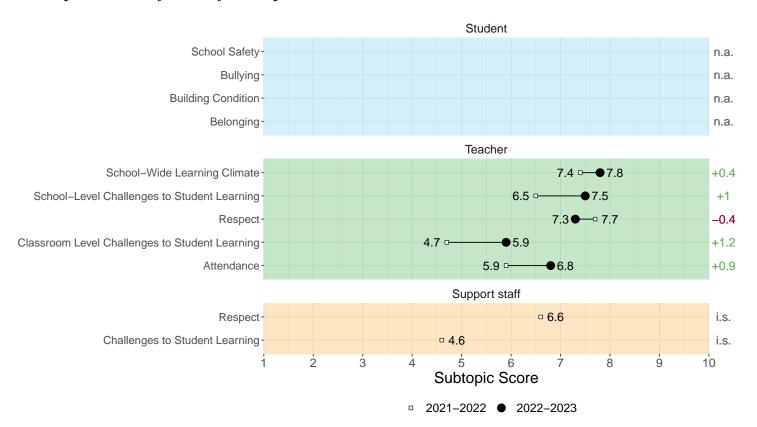

### School Climate: Scores

# Topic Score Trends Compared to Network and All Participating Schools

The School Climate topic score is the average of subtopic scores from the Student and Teacher surveys. All subtopic scores for these groups must be available to display the overall topic score. Note that School Climate topic scores are not available in 2020-2021 due to the absence of the Building Condition subtopic in that year (because of virtual learning).

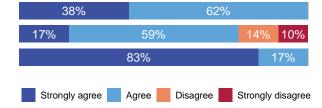

# School Climate: Key Questions

Teacher survey: How much do you agree with the following statements?

Teachers at my school have high expectations for students.

Teacher morale is high at my school.

My school has a culture of using data to inform student-level interventions.

Teacher survey: To what extent do you consider each of the following factors a challenge to student learning in your school?

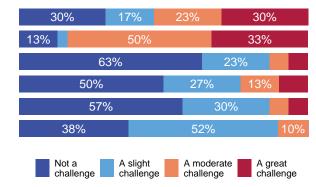

Shortage of instructional support staff (e.g., teaching aides and reading specialists) Shortage of other support staff (e.g., nurses, counselors, and security)

Lack of teacher planning time built into the school day

Lack of support for teaching special education students (i.e., students with IEPs)

Lack of support for teaching English Learners

Bullying

Support staff survey: To what extent do you consider each of the following factors a challenge to student learning at your school?

Teacher/staff turnover

Student mental health issues

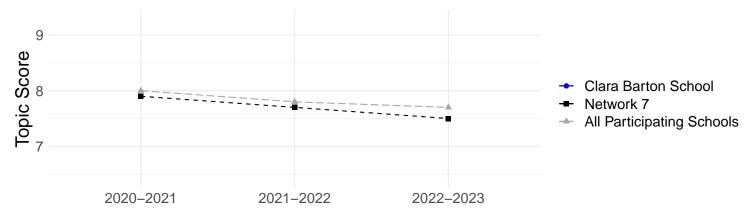

Student absenteeism

School crime/safety

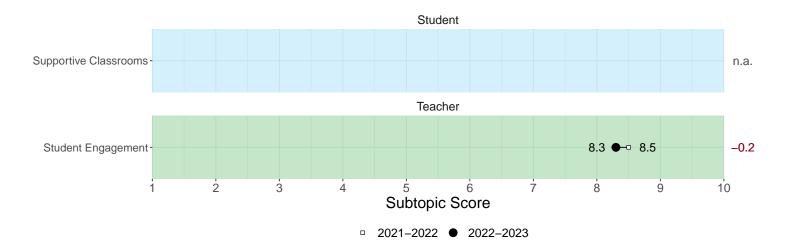

Insufficient Data

### Instructional Environment: Scores

# Topic Score Trends Compared to Network and All Participating Schools

The Instructional Environment topic score is the average of subtopic scores from the Student and Teacher surveys. All subtopic scores for these groups must be available to display the overall topic score.

# Instructional Environment: Key Questions

Teacher survey: How often are the following statements true about your classroom?

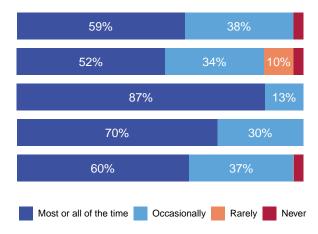

My students reflect back on what they have learned.

My students influence decisions regarding learning activities.

My students complete their assigned work.

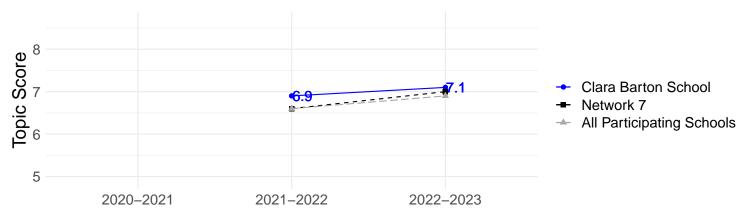

My students are interested in what we do in class.

I call on all of my students, even if they don't volunteer to answer questions.

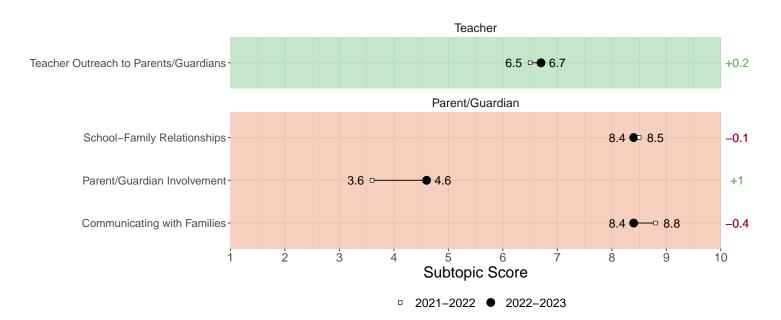

### Family Engagement: Scores

# Topic Score Trends Compared to Network and All Participating Schools

The Family Engagement topic score is the average of subtopic scores from the Teacher and Parent/Guardian surveys. All subtopic scores for these groups must be available to display the overall topic score. Note that Family Engagement topic scores are not available in 2020-21 because the Teacher Outreach to Parents/Guardians subtopic was revised in 2021-2022.

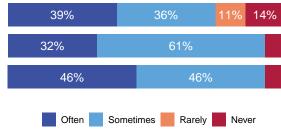

# Family Engagement: Key Questions

#### Teacher survey: During this academic year, how often did you do the following for a typical student?

Send emails, newsletters, or notes home telling parents and guardians what they have been learning and doing in class

Contact their parents and guardians when they are struggling academically

Contact their parents and guardians about their achievements and successes

#### Parent and Guardian survey: How much do you agree with the following?

My child's school lets me know about meetings, special school events, and family education opportunities.

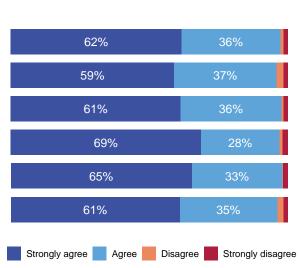

My child's school gives me information about how I can help my child be successful in school.

My child's school communicates with me in a language I understand.

I know how to contact my child's teacher(s).

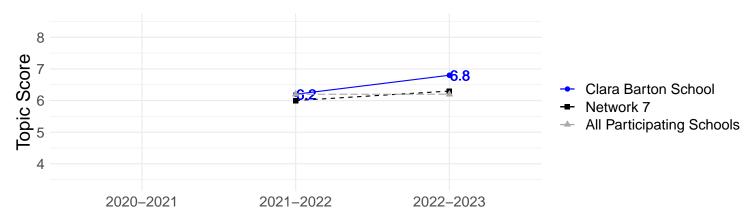

I feel welcome in my child's school.

I am satisfied with the response I get when I contact my child's school with questions or concerns.

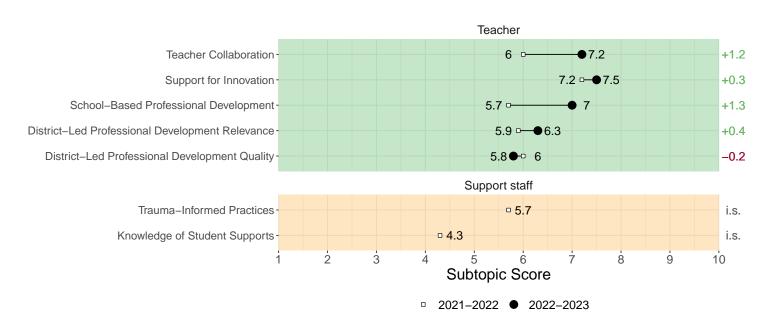

# Professional Capacity: Scores

# Topic Score Trends Compared to Network and All Participating Schools

The Professional Capacity topic score is the average of subtopic scores from the Teacher survey. All subtopic scores for this group must be available to display the overall topic score. Note that Professional Capacity topic scores are not available in 2020-21 because the Teacher Collaboration subtopic was revised in 2021-2022.

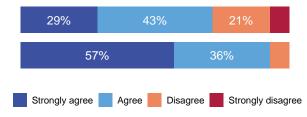

# Professional Capacity: Key Questions

#### Teacher survey: How much do you agree with the following statements?

I am free to be creative in the teaching methods and strategies I use in my practice.

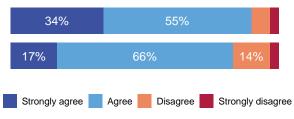

I am expected to continually learn and seek out new ideas.

#### Teacher survey: How much do you agree with the following about professional development?

Professional development is available to me at various times, such as job-embedded experiences, before or after-school hours, and summer experiences.

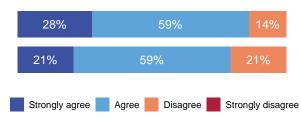

In my school, teachers use what they learn from District professional development to adjust and inform teaching practices.

#### Teacher survey: How much do you agree with the following about school-based professional development?

Teachers' backgrounds, experience levels, and learning needs are considered when planning school professional development.

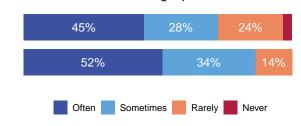

Teacher input is taken into consideration when planning school professional development.

#### Teacher survey: How often, if at all, do groups of teacher(s) at your school meet to address the following topics?

The individual learning needs of students

Effective instructional strategies

#### Support staff survey: How confident are you in your ability to do the following?

Work with teachers and school leaders to support students who have experienced trauma

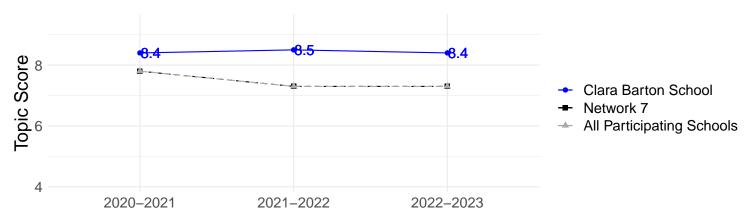

Match students to the appropriate internal (school-based) resources/supports

Insufficient Data

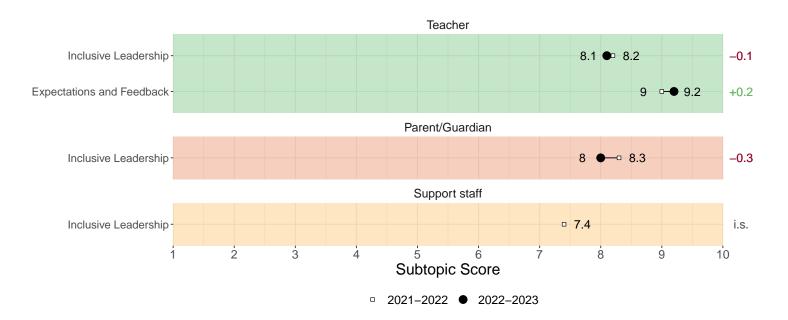

Match students to the appropriate external resources/supports

### School Leadership: Scores

## Topic Score Trends Compared to Network and All Participating Schools

The School Leadership topic score is the average of subtopic scores from the Teacher and Parent/Guardian surveys. All subtopic scores for these groups must be available to display the overall topic score.

# School Leadership: Key Questions

#### Teacher survey: My principal/school leader:

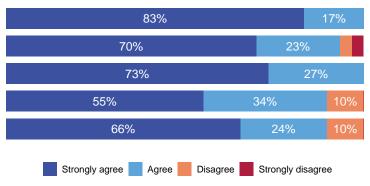

Sets high standards for student learning.

Sets clear expectations for teachers.

Provides me with constructive feedback based on formal or informal observation(s) of my teaching.

Is committed to shared decision-making.

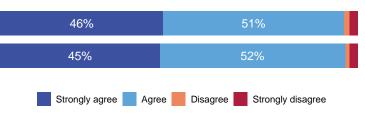

Encourages students to be involved in the school community.

Parent and Guardian survey: How much do you agree with the following? The principal or school leader...

works to create a sense of community in the school.

has a clear mission for the school.

#### Support staff survey: The principal/school leader at my school:

works to create a sense of community in this school.

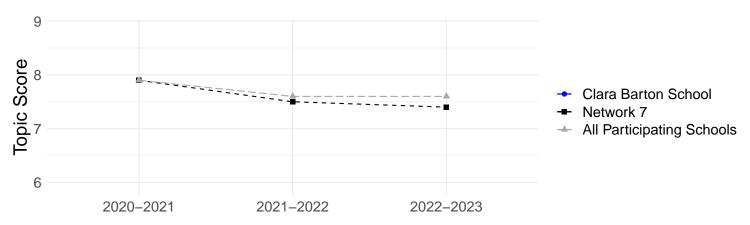

promotes parent/guardian involvement in the school.

Insufficient Data

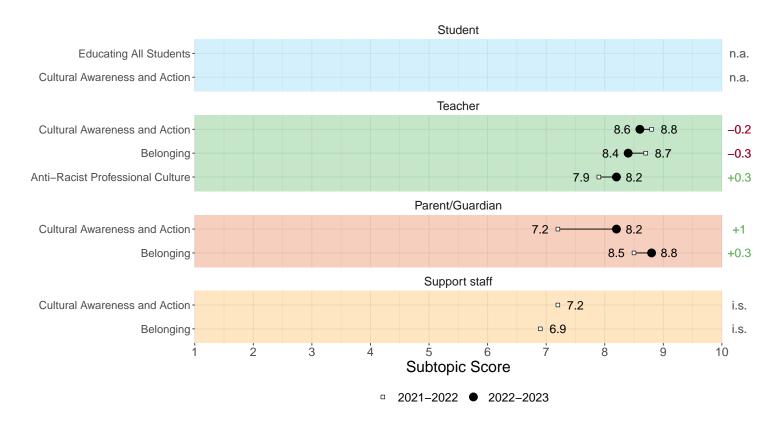

creates buy-in among faculty and staff.

### Diversity, Equity, and Inclusion: Scores

# Topic Score Trends Compared to Network and All Participating Schools

The Diversity, Equity, and Inclusion topic score is the average of subtopic scores from the Student, Teacher, and Parent/Guardian surveys. All subtopic scores for these groups must be available to display the overall topic score. Note that the student survey includes questions in this topic only for grades 6-12. Student response data is unavailable for schools serving only lower grades.

# Diversity, Equity, and Inclusion: Key Questions

### Teacher survey: How much do you agree or disagree with the following?

Leaders at this school work to advance student equity.

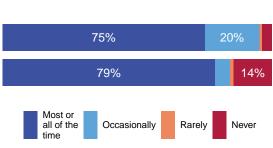

I am comfortable discussing race-related topics with my students.

#### Parent and Guardian survey: How often do the following happen?

At school, my child learns about people from different races, ethnicities, or cultures.

Adults at my child's school treat people from different races, ethnicities, or cultures fairly.

#### Support staff survey: How much do you agree or disagree with the following?

When a sensitive issue of diversity arises at school, I can implement strategies to appropriately address the situation.

Insufficient Data

I feel connected to other adults at my school.
