Appendix

Graphs (in order of appearance)		Description
Percent of Students Enrolled in College the Fall Immediately Following Graduation From High School (pp. 2-5)		Percentage of high school students who enrolled in a two- or four- year postsecondary institution in the fall semester immediately following graduation. The fall semester immediately following graduation is defined as any college enrollment between August 15 and October 31. The student must have an active enrollment between these dates. Shown only for classes which have completed a fall semester.
Percent of Students Enrolled in College at Any Time During the First Year After High School (pp. 7-10)		Percentage of high school students who enrolled in a two- or four-year postsecondary institution in the academic year immediately following graduation. The first year after high school includes any college enrollment where a student had active enrollment between August 15 of the graduation calendar year and August 14 of the following calendar year.*
Percent of Students Enrolled in College at Any Time During the First Two Years After High School (pp. 12-15)		Percentage of high school students who enrolled in a two- or four-year postsecondary institution in the academic year immediately following graduation. The two years after high school includes any college where the student had active enrollment between August 15 of the graduation calander year and August 14 of the following two calendar years.*
Percent of Students Enrolled in College the First year After High School Who Returned for a Second Year (pp. 17-20)		Percentage of students who remained enrolled (persisted) in postsecondary education from the first year to the second year. Note: The graphs show the percentage of students who remained enrolled at any postsecondary institution, not retention at the same institution. Shown only for classes which have completed the first two years after high school.
Percent of High School Class with a College Degree Within Six Years (pp. 22-25)		The six-year degree completion rate at two- and four- year institutions. Shown only for classes where six academic years have passed since high school graduation. When a student has a degree with an award date that is more than 6 years after high school year, it will not be counted in this report; it will be reported in the student-level Detail Report. Only associate's, bachelor's, and advanced degrees are counted in these rates. Certificates are not included in these counts but will be included in the student-level Detail Report.
Time to College Graduation Within Six Years (p. 27)		This graph shows the time to first degree broken down by the number of academic years since the students graduated from high school.
Class of XXXX Postsecondary Enrollment and Progress (each class year is on its own page)		Progress of a single class of students (cohort) through postsecondary education up to eight years after high school graduation. Each segment of the bar chart corresponds to one of the following definitions: GRADUATED: Student has completed an associate's, bachelor's or higher degree (certificates are not included). Once a student is counted as a graduate, s/he is not counted again elsewhere in the report. A Graduated Record is reported before all other possible categories (e.g. New to College, Persisted, etc.) NEW TO COLLEGE: First year that the student was found in the Clearinghouse database. PERSISTED: Student was enrolled during the previous year and continues to be enrolled in the current year. The graphs show the student's continued enrollment at any postsecondary institution, not retention at the same institution. RETURNED AFTER STOP OUT: Student was enrolled, did not appear in postsecondary education the following year, and reappeared in a year thereafter. NO LONGER ENROLLED & NOT GRADUATED: Student was enrolled in postsecondary education, is not currently enrolled and there is no record of completion. NOT IN NSC TO DATE: Student was not found in the Clearinghouse database.**

Term	Definition
Effective Date	Set by Clearinghouse's Research Center three times per year- Fall, Spring and Summer. The date will be noted in the Report File Name and within the StudentTracker application. The date is established to ensure that your StudentTracker reports provide the most comprehensive enrollment and degree data provided by the colleges and universities for a given period, and that all secondary education institutions are matched against the same set of post-secondary data. Reports generated in between effective dates will be processed against the most recent effective date; no new data will be reported.
High School Class (labeled by graduation year)	Includes all students who graduated high school between September 1 of the previous year and August 31 of the graduation year. Also referred to as a cohort.
Academic Year	Defined as any collegiate enrollment that occurs between August 15 of one year and August 14 of the following year.
Institutional Level	Indicates the level of degree predominantly offered by the institution (i.e. two-year or four-year).
Institutional Type	Indicates whether the institution is controlled publically or by a private entity.
Institutional Location	Indicates if an institution is in-state or out-of-state based on the comparison between the states where the institution and the high school are located.
Demographic Packet	A packet of reports for many of the same outcomes described above but stratified by the Demographic data elements you provided in your Diploma or Request file, if any. The Demographic data elements are: Gender, Ethnicity, Economic Disadvantage indicator, Disability indicator, English Language Learner.
Academic Packet	A packet of reports for many of the same outcomes described above but stratified by the Academic data elements you provided in your Diploma or Request file, if any.
