Due to the impacts of the global COVID-19 pandemic in the Spring of 2020, the School District of Philadelphia will not produce the School Progress Reports (SPR) for the 2019-2020 academic year. Many of the metrics usually included in the SPR are not comparable to previous years; for others, results are not available. This End-of-Year report provides unscored information about the metrics for which 2019-20 data are available and provides prior years' data for comparison. For more information about why some metrics are not available and why others are significantly different from previous years, see www.philasd.org/performance/eoy.
